COME AND DISCOVER UNIVERSIDAD NACIONAL DE LA PAMPA (UNLPAM)

Located in central Argentina, in the northern part of Patagonia, UNLPam is the only public institution of Higher Education in the province of La Pampa which is tuition free and secular. UNLPam considers education as a public good and universal human right. Since its foundation in 1958, it supports the integral development of our territory by promoting research, university extension activities and science and technological transfer.

It has 7 Colleges and 2 Universities High School. It offers more than 60 Programs of study (undergraduate, graduate and post-graduate levels). UNLPam operates in strategic sectors for the development of science and technology such as health, production and food.

It strengthens Internationalization by establishing institutional partnerships with Universities and Institutions from Mexico, Brazil, Colombia, Spain, France and the United States of America, among other countries.

Be part of making an innovative, sustainable and open University. Be part of UNLPam.

AT A GLIMPSE

- Students' services, including its own free transportation to campuses.
- Adequate relationship teacher-student for the development of teaching-learning processes, enriched by the permanent contact with objects of study.
