

Universidad Nacional de La Pampa

## \* INSTITUTIONAL PROFILE

NATIONAL UNIVERSITY OF LA PAMPA is the only public institution of Higher Education in the province of La Pampa which is tuition free and secular. It is part of the National Interuniversity Council (CIN). It was founded in 1958 as a province university and it became a national university in 1973. It is located in the province of La Pampa, in the northern Patagonia region, Argentina. This Higher Education Institution considers education as a public good and universal human right. For six decades it has been committed to fulfil such a statement, preparing to reach academic levels of excellence, promoting scientific research and the dissemination of knowledge as a cultural good.

In accordance with the Strategic Plan and the guidelines of the Institutional Development Project 2016- 2020, UNLPam reasserts its Mission of providing education of excellence, promoting knowledge and cooperating towards the social development of the community where it is located as a public and committed institution and at regional, national and international contexts.

## \* ACADEMIC PROGRAMS

### ① DEGREE PROGRAMS

#### COLLEGE OF AGRONOMY

Agricultural Engineering  
Rural Business Administration and Management Technical (Pre-Degree Certificate)  
Agricultural Laboratory Technical (Distance Learning)  
Bachelor of Science in Rural Business Administration and Management  
Intensive Crop Farming Technical

#### COLLEGE OF ECONOMICS AND LAW

National Public Accountant  
Law  
Administrative, Accountancy and Tax Technical  
Attorney / Solicitor  
Bachelor of Science in Business Administration (Entrepreneurship oriented)

#### COLLEGE OF EXACT AND NATURAL SCIENCES

University Nursing Training  
Nursing Training Bachelor of Science  
Geology Bachelor of Science  
Biology University Teacher Training  
Biology Bachelor of Science  
Natural Resources and Environmental Engineering  
Mathematics University Teacher Training  
Mathematics Bachelor of Science  
Computer Science University Teacher Training  
Chemistry University Teacher Training  
Chemistry Bachelor of Science  
Physics University Teacher Training  
Physics Bachelor of Science  
Hydrocarbon Technical (25 de mayo campus)  
Information applied to Management Technical

#### COLLEGE OF HUMAN SCIENCES

Tourist Guide ( Pre-Degree Certificate)  
Tourism Bachelor of Arts  
History University Teacher Training  
History Bachelor of Arts  
Geography University Teacher Training  
Geography Bachelor of Arts  
Spanish Letters University Teacher Training  
Spanish Letters Bachelor of Arts  
English University Teacher Training  
English Bachelor of Arts (Applied Linguistics)  
English Bachelor of Arts (Literary Studies)  
Social Communication Bachelor of Arts  
Spanish Language and Literature for Secondary School Teacher Training  
Kindergarten University Teacher Training  
Primary School University Teacher Training  
Education University Teacher Training  
Education Bachelor of Arts (in campus/distance learning)

#### COLLEGE OF ENGINEERING

Programmer Analyst  
Systems Engineering  
Computer Science Engineering  
Electrical and Mechanical Engineering  
Electrical and Mechanical Engineering (Industrial Automation)  
Industrial Engineering

#### COLLEGE OF VETERINARY SCIENCES

Veterinary Medicine

# » ACADEMIC PROGRAMS

## ② POSTGRADUATE PROGRAMS

### COLLEGE OF AGRONOMY

Integrated Extensive Crop Pest Management Specialization  
Agricultural Production in Semiarid Regions Master

### COLLEGE OF ECONOMICS AND LAW

Public Control and Administration Specialization  
Human Rights Specialization  
Forensic Social Work Specialization  
Business Management Master

### COLLEGE OF EXACT AND NATURAL SCIENCES

Digital Scenarios Teaching Master  
Water Resources Master

### COLLEGE OF HUMAN SCIENCES

Higher Education Teaching Master  
Socio-Cultural Studies Master  
Language and Literature Teaching Specialization

### COLLEGE OF VETERINARY SCIENCES

Management of Cattle Beef Production in the Central Semiarid Region Specialization  
Veterinary Public Health Specialization

### COLLEGE OF ENGINEERING

Digital Teaching Master

## \* AT A GLIMPSE

- Students' services, including its own free transportation to campuses.
- Adequate relationship teacher-student for the development of teaching-learning processes, enriched by the permanent contact with objects of study.
- Teaching campus located within the agricultural production field, allowing its use in the teaching and learning processes, as well as for the research and extension tasks and activities.
- Experience in strategic planning and institutional evaluation.
